

8<sup>th</sup> September 2017

To: **Parents of Pupils in Year 7-11**

Dear Parents

### **Gardening Club**

I will be running an after school gardening club on Tuesdays. The students will be involved in planning, building, planting and maintaining a small section of the White House Garden. We hope to grow fruit, vegetables and a variety of plants. Students will also be involved in helping the local community by litter picking and learning about wildlife conservation.

Gardening club will meet in room 4 and you should collect your child from reception at 5:00pm. It is essential that they bring a pair of wellies or sensible shoes and a warm, waterproof coat. We plan to go out for a short time, whatever the weather!

Whether your child is a garden expert or would simply like to learn a new skill, then complete the form below and return to your child's form tutor as soon as possible. All slips must be returned by Friday 15<sup>th</sup> September and Gardening Club will begin on Tuesday 19<sup>th</sup> September.

With best wishes

Mrs O'Looney
