

17th March 2017

To: Parents of pupils taking GCSE History

Dear Parents

GCSE History Booster Session

I will be running a Year 11 History Booster session during the half term on **Thursday 6th April** from 10.00am until 13.00pm in Room 1.

During this booster session, we will be studying **past exam questions** for the **Surgery paper**. This is in many ways the most challenging of the three History exams the pupils will take in the summer, as it requires pupils to use source evaluation, alongside their own contextual knowledge, of surgery during the 19th and early 20th Century. It will allow me to talk through past papers and answer any questions the pupils may have.

Pupils will need to bring with them their copy of the past paper, handed to them at the end of term. I recommend that they spend an hour looking through the paper, annotating the sources, and practising some of the questions before the session. This will facilitate discussion and progress.

If you would like your child to attend this booster session, please complete and return the reply slip below.

Yours sincerely

Laura Heathcote
Head of History

GCSE History Booster Session

Child's Name: _____

Class: _____

I would like my child to attend the History Booster session on Thursday 6th April 2017 10.00am - 13.00pm.

Signed: _____

Date: _____

Please return this slip to Miss Heathcote asap
