Dear Parents

Homework Timetable

Today your child has been issued with a homework timetable for the next academic year.

Homework is an essential part of a pupil's education and provides the opportunity for the work completed in class to be reinforced and developed. It also encourages a child's habits of self-organisation and concentrated study which add to their learning and enables them to meet the challenges of today's competitive, uncertain and rapidly changing world.

Pupils will need to manage their time effectively in order to meet set deadlines.

Pupil planners are an integral part of this process. We expect parents to check and sign the homework diary weekly. They will also be signed and checked weekly by the form tutor.

If you have questions or concerns relating to the timetable or homework in general please contact your daughter/son's form tutor.

Please sign the tear off slip below to acknowledge the contents of this letter and a copy of the homework timetable.

Yours sincerely

Miss Michelle Ifould
