EXTENDING OUR FAMILY

Following a full consultation process, Hollygirt School will become fully co-educational from September 2014. This builds on our success with boys in our EYFS and Key Stage One classes.

We are excited to offer boys as well as girls the opportunity to benefit from the high quality holistic education for which Hollygirt is renowned. We are proud of our record of academic success and value the progress of each child. Our emphasis is on nurturing individual potential and encouraging all to do their best.

Our community is formed by children and their families. All staff know each pupil by name, and personality. Every child is encouraged to join in, experiencing far-ranging

opportunities on their educational journey.

We are proud of our school's traditional values, family atmosphere and strong discipline. We offer the very best pastoral support within our small classes.

Hollygirt is a school with integrity. You can trust us with your children's education.

Come along to our Junior School Taster Day on Monday 10th February, for children in Years 1-6, or our Open Day on Saturday 10th May, for boys and girls aged 3-16.
