

9th February 2018

To: Parents of pupils taking GCSE Computer Science

Dear Parents

Revision Guide and Workbook

I would like to offer a chance for your child to buy a revision guide and workbook for GCSE Computer Science. It is the most up to date available as it has been written specifically for the new OCR Computer Science specification. It includes both an easy to access revision guide and practice exam questions that are matched to the new syllabus.

I would like to place one bulk order, so if you could complete the form and return to school by Monday 26th February, it would be much appreciated.

Yours sincerely

Mrs Alison Bolton
Head of ICT
