

26th April 2018

To: **Parents of Pupils in Year 10 GCSE Physics**

Dear Parents,

Physics CGP Revision Guides

A number of Year 10 pupils have expressed an interest in obtaining a CGP workbook for their GCSE Physics course. We would be happy to obtain these via school at a price of £3 per book, which is lower than the retail price.

Please note that the CGP revision guide contains the same information as the CGP textbook that we use in class. Unlike the textbook, there are very few questions in the revision guide. The layout in the revision guide is very text dense and so unsuitable for some in the group; however, others may prefer this format.

Should you wish to order the book, please complete the permission slip below and return this slip to Dr McKitterick by Monday 30th April 2018. The cost of £3.00 will be added to your next termly fees invoice.

Yours sincerely

Dr D McKitterick
