Dear Parents

Show My Homework

I am delighted to introduce Show My Homework, an online homework platform designed to help both pupils and parents keep track of homework. As a parent, Show My Homework will allow you to see details of the homework your child has been set, all their deadlines and their submission status.

We have decided to implement this system in order to assist pupils with organisation, time-management and spreading of workload. We also hope it will improve communication with parents by providing greater visibility of the homework we set at Hollygirt.

Please find pupil and parent login details attached. You can access Show my Homework from the app available from The Apple App Store or Google Play. Activating push notifications will alert you to when homework is due. You can also access Show My Homework through any web browser at <https://hollygirt.showmyhomework.co.uk/school/home>. Here, you can view the whole-school homework calendar without the need to login. Please note you will need to use the filter options at the top of the page to find your child's homework.

The official launch date for Show My Homework is **Monday 24th September**, from which point onwards all Senior School homework will be available on the platform. Pupils should continue to present their homework diaries to parents each week for signing.

Pupils have attended an assembly on how to use Show My Homework. Pupils without internet access at home may access Show My Homework at lunchtimes in IT2, or via the teacher in Homework Club.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. You can log a ticket using help.showmyhomework.co.uk or call 0207 197 9550. You are also most welcome to contact me on davidthompson@hollygirt.notts.sch.uk should you have any queries or concerns.

Yours sincerely
