

Hollygirt
SCHOOL

20th November 2018

To: Parents of Pupils in Junior School

Dear Parents

Hollygirt Rocks

During the holidays, my children thoroughly enjoyed finding decorated rocks and then re-hiding them and we think it would be a lovely, fun activity for pupils at Hollygirt School. The children will be provided with a rock to decorate at school and then writing on the back: **'Share on FB Hollygirt Rocks. Re-hide me!'** The children need to take their rock home and find somewhere special, either on holiday (in Britain or abroad) or to a local place of interest and hide it for another child to find. When their rock is found, hopefully the finder will post a photo of the rock and where they found it on Facebook. Let's see how far our Hollygirt Rocks can travel!

Yours sincerely
