SCHOOL

15th January 2018

Dear Parents,

Owing to the overwhelming demand for Minecraft Club, it is necessary to split the children into two groups. Group One will be starting tomorrow (Tuesday) and will run up to and including 13th February. Group Two will then run from Tuesday 27th February for five weeks also.

We apologise for any disappointment, but the children are welcome to attend Art Appreciation and Painting Club as an alternative until it is their respective group's turn.

Many thanks, and it is great that the children are so keen to participate in our ECA programme.

Kind regards,

J. Woodhead
