To: Parents of GCSE Statistics Pupils in Year 11

Dear Parents

GCSE Statistics Revision Material

I am pleased to advise that we have the opportunity for our Year 11 GCSE Statistics pupils to purchase the latest revision guide and workbook for their forthcoming Year 11 GCSE Statistics. The workbook and revision guide provide an excellent resource in addition to notes made in lessons and subsequent work set.

I wish to highlight that although the examination board being entered is AQA, the Edexcel books (of which these are as currently an equivalent AQA version does not exist) there is a significant similarity between the content of the two courses.

The books cost £3.25 each and can be added to your next termly fees invoice.

Please return the reply slip below by **no later than Monday 24th September 2018**. I must advise that we are not able to place orders after this date, at the aforementioned cost, as this offer is only available to us for a short time period.

Yours sincerely

Mr N Rollinson
